- Changing of seasons

How do your people prepare for important events?
Traditional Planning: Buffalo Hunt

Need:
To provide food, shelter and clothing and spiritual items for family/community

Challenges:
Mobility of the tribe, Huge, Fearless animal; Tools

Goal:
Successful buffalo hunt to help the people

Strategy:
Get buffalo into position to allow hunters to take animals down before the herd spooks and runs

Elements of strategy:
Prayer or Reflection on goal, Quality hunting team, Optimal hunting area, Defined roles and responsibilities, Post-hunt tasks
