OJJDP Grant Management Requirements for PA8 and PA9 Grantees
Things you need to know about your grant award

• Grants Management System
• Your Award Package
• Special Conditions
• Clearing your budget
Grants Management System (GMS)  
Navigating your federal award Website

- The official award file is in GMS  
  https://grants.ojp.usdoj.gov/  
  - Stores all official grant application and award documents  
- Grantee ID and password needed  
  - Grantees determine authorized users: Point of contact, financial contacts, a list of authorized representatives can be found in the quick guide.  
- What do grantees submit?  
  - Progress and financial reports  
  - Official grant adjustment notices/modifications  

OJJDP encourages you to communicate directly with your OJJDP Program Manager
Important Reminder

Please change the points of contact in GMS to reflect the people who are responsible for administering this grant.

This is done by submitting a GRANT ADJUSTMENT NOTICE in GMS. To change the authorizing official, you must include a letter on Tribal letterhead stating the reason for the change.

If you are new to GMS, please be sure to attend the detailed break out session “Post-award GMS training” tomorrow morning.

Post Award Instructions:

This link leads you to instructions on how to accept your award and how to set up the systems to be able to draw down your funds.
Clearing the budget for your award

• Before you are able to draw down your grant award funds, you will need to work with your OJJDP program manager to obtain a final cleared budget through the OJP finance office.

• In most cases, your program manager will send you revisions that have been requested from the finance office and ask you to revise your proposed budget and resubmit it. In most cases, revisions are requested due to miscalculations, unallowable costs or lack of detail.

• The quicker you can get the requested revisions back to your program manager, the quicker your program will have access to your funds.
Special Conditions

• Please be sure to review all special conditions on your award and contact your OJJDP program manager with any questions you may have.

• Please pay special attention to those special conditions that are listed as “withholding” conditions, as these indicate areas where your funds may be withheld if conditions are not met.
Withholding Conditions

All awards from OJJDP contain a condition which requires the point of contact and all financial points of contact to have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at http://www.ojp.gov/training/fmpts.htm
